CBSD Athletics

Attention all Middle School Athletes! CBSD Athletics has some important updates and changes that will occur this summer.

9th Grade Sports

All 9th grade sports will now be housed at the high schools. All interested 9th graders who want to play field hockey, football, or soccer this fall should attend the high schools' tryouts starting on August 12th. All roster spots for the Varsity, JV and 9th grade teams will be determined at the tryout. The 9th grade team will be run like the JV and Varsity programs.

If you are interested in trying out for a 9th grade program, please register on Family ID with your respective high school and upload the PIAA CIPPE Form to the Family ID database.

If you have any questions, please contact the high school athletic directors.

Middle School Volleyball

CBSD is pleased to announce that we will be starting a co-ed middle school volleyball program this fall for run through our community school. The purpose of this program is to teach the fundamentals of volleyball to our middle school athletes in the hopes that they will be interested in trying out for our high school program. If there is enough interest, our goal would be to make this a "sport" at the middle school level in a few years' time.

This program will be open to boys and girls in 7th and 8th grade at each middle school. Practices will begin on September 16th. Practices will be Monday-Thursday from 3pm-4:30pm. This will be a six-week program.
