

This year, the Patriot Players will join the East Choir on a fantastic trip to Walt Disney World, Thursday-Sunday, April 24-27, 2025. We are very excited to have the opportunity to work with Disney clinicians, meet with Disney Imagineers, and PERFORM on the Disney Springs waterfront stage! The trip will also include four park passes as well as Disney breakfast and dinner meal cards.

To be eligible for the trip, **PATRIOT PLAYERS** are expected to complete the [Online Membership Forms Survey](#) AND participate in the fall & spring productions, cast or crew (minimum of 40 hours with each show.) *If students are unable to commit to the fall show but plan to be active for the spring musical, they must have written approval from the advisor, Mrs. Eisenberg, to attend Disney as a Patriot Player.*

The cost of the trip is \$1845 per student (*subject to minor adjustment depending on group size.*) **Registration is due by September 17, 2024. The first payment is due on September 20, 2024**, in the amount of \$300. Payments will be made directly to our tour company, Bob Rogers Travel (BRT) via its website. **All payments are made online.** To offset the cost of the trip, we will run multiple fundraisers.

Please see our webpage, www.cbsd.org/patriotplayers, for all necessary forms/links, including: 1) a copy of this letter, 2) Payment Instructions, 3) Cancellation Insurance Information, 4) Preliminary Itinerary, and 5) Fundraiser Opportunities. *Please note that the itinerary is subject change.* Be sure to read all information provided carefully with a parent or guardian. Please note: the Patriot Players are traveling with the CB East Choir. If you are in both groups, please only register once!

Our Disney performance will be a **High School Musical Medley!** Auditions to perform in the Medley will be at the same time as **Anastasia** auditions: January 3, 7, & 8, 2025. (*Audition materials will be available in December 2024.*) The HSM Medley rehearsal calendar will be presented following the audition. (*Students may participate in both Anastasia & the HSM Medley!*)

In addition to our performance, Patriot Players will join the East Choir for a Performing Arts Vocal Workshop with Disney's Imagination Campus. Students will unlock the magic of storytelling through iconic soundtracks from Disney films. They will be immersed in a recording studio environment where they will sight-read music and learn how to analyze their own performances. Interested Patriot Players will also have the opportunity to meet with Disney Imagineers to learn a bit about how the magic is created behind the scenes!

We hope you will join us for this very exciting opportunity to perform for an international audience, take a workshop with Disney professionals, and create memories to last a lifetime with your Patriot Players and Choir friends in the most magical place on Earth!

Attention PP Parents, if you have an interest in chaperoning or have any questions, please email Patriot Players advisor, Mrs. Eisenberg: seisenberg@cbsd.org.
