

CB East Patriot Players

Thespian Troupe #6165

Welcome to the CB East Patriot Players! The Patriot Players have proudly presented an array of wonderful plays and musicals over many years. This year we will soon start production on *Frozen, Jr.* In addition, this spring, our club will produce a mainstage musical, *Into the Woods*, as well as two student productions. If you are looking for a place to meet great friends, be creative, and spend part (or most) of the year producing incredible theatrical presentations... you have found it!!

The Patriot Players is the largest club here at East, led by a diverse and experienced team of directors. Students have the opportunity to participate all year long on multiple productions, workshops and community outreach projects. In addition to acting, singing, and dancing, students can learn technical theatre skills such as set design/construction, lighting, sound, costuming, direction and more! If you are a Patriot Player for three years, you will experience various types of musicals and plays, workshops and trips, and can even earn a CB East Varsity Letter! This year, the Patriot Players will travel to **Disney World** where we will perform as well as work with Disney professionals in a song/movement workshop. Our goal is to provide great theatrical experiences for CB East students throughout their high school years!

To be a member of the CB East Patriot Players, please complete the cast/crew forms survey available on our webpage no later than Sept. 10th: www.cbsd.org/patriotplayers. A full year general calendar as well as important audition materials can also be easily accessed on our webpage. All Patriot Players (cast & crew) are expected to work a minimum of 40 hours per mainstage production to be considered a member in good-standing. Only members in good-standing can attend additional Patriot Player events/workshops/trips, including this year's trip to Disney World. *Please note, if students can only work on the spring production due to other East fall semester commitments such as marching band or a fall sport, they must have written permission from the director (Mrs. Eisenberg, seisenberg@cbsd.org) to attend the Disney trip.*
