

# Welcome Freshmen!

August 2020

Dear Parents/Caregivers and Incoming Freshmen:

We are excited to meet this year's freshman class/ CB South class of 2024. Please note that we have chosen to address students as freshmen. This is a very conscious reminder that ninth grade is the beginning of high school. This is the year that a student's grades begin to appear on the official transcript that is sent to colleges and prospective employers.

As a faculty we work diligently to provide students with a rich educational experience. We work equally as hard to encourage a solid work ethic that will lead to success in the academic world and beyond.

We hope you had time this summer to relax and read a good book. All students were asked to read one book this summer from a list provided in the spring. All information is posted on the Unami Library page at <https://www.cbsd.org/Page/6998>. There is still time to complete this assignment if needed.

The ninth grade teachers are eager to get to know each student and assist them in their freshman year. We look forward to virtually welcoming students on the first day of school, Tuesday, September 8, and we hope to see parents at our virtual back-to-school night on Thursday, September 17.

Sincerely,

The Ninth Grade Faculty
