

Hello, from Mrs. Nieves!

A Little Bit About Myself

Although I too, fabulous new kindergarten friend, am brand new to Bridge Valley Elementary (& I think that you are going to love it as much as I already do), I have been a Central Bucks teacher for 10 years, and have taught kindergarten for 6 of those years!

I live in Newtown with my husband and two boys, Darren, who is 7, and Callan, who is just about to turn 4 years old. My family and I love to spend time outdoors. Swimming, biking, hiking, beaching, exploring, & playing all kinds of sports (especially soccer, karate, and football) are some of my very favorite things to do. I am also an avid reader and love to write; we frequent the library often!

A Few Extras...

- My last name is pronounced...
Knee-ev-es
- K Friend, some of my favorites are in the pictures on this page. Do you have any "brain matches" with me?

Kindergarten is the BEST!

I love teaching kindergarten, and am so excited to begin this year's adventure will all of my new friends. We are going to have so much fun learning and exploring together!
