☆ ☆ Welcome back to school! I hope everyone had a happy and healthy summer! My name is Lauren Holden, and I will be your child's learning support teacher for the 2025-2026 school year. I graduated from West Chester University in the Fall of 2022 with a degree in elementary and special education. I joined the Butler Learning Support team in January 2024. Before starting at Butler, I worked at Cold Spring and Pine Run in Central Bucks. Outside of school, I enjoy going to the beach, traveling, going to the gym, and spending time with my friends and family.

My goal this school year is to create a safe and inclusive classroom environment where students will grow their confidence, academics, social skills, and overall resiliency. The first week of school, students will be doing activities with their homeroom teachers. During this time, I will be pushing into their classroom to introduce myself, support them, and start building rapport.

I look forward to collaborating with you and working with your child this year! I will be sending an email the first week of school with more information on what the school year will look like, as well as any important dates/events. Don't hesitate to reach out if you have any questions! I usually communicate via email or over the phone. If you prefer another form of communication, please let me know.

Sincerely,

☆
