Dear Parent(s)/Guardian(s),

I hope that you and your family had a wonderful summer and are ready for a great school year! As your child's learning support teacher, I am looking forward to working with you to make this a successful and exciting school year.

This is my 19th year teaching in CB and third year at Butler. I love what I do and enjoy each day teaching and learning from the students. When not at school, I enjoy spending time and traveling with my husband and three boys: ages 11, 9, and 7. This summer, I traveled to Kenya and Uganda and as a family we went to Turks & Caicos and LBI in New Jersey.

As many of you are aware, Back-to-School-Night is just around the corner, and I would like to invite you to come on Monday, September 8th anytime between 6:30-7:00pm, prior to the start of third grade. You are welcome to stop by my classroom, B104, to say hello or stay for a short PowerPoint (general information provided as the IEP dictates individual student's instruction and schedules).

I look forward to meeting each one of you and working together to make it a wonderful and successful year for your child! If you ever have any questions, please do not hesitate to contact me via e-mail or phone. See everyone soon!

Sincerely,

Cassie Rafferty, M.Ed.
