

Using Transitions.....

to support your writing.

A transition word is usually followed by a comma.

Transition Words to Make a point:

first	one is	specifically
second	another is	by the way
third	the other is	however
besides	for instance	in other words
then	moreover	to explain
also	furthermore	to describe
next	above all	in the first place
secondly	in addition to	yet
for example	to begin with	similarly
as a matter of fact	meanwhile	on the other hand
afterward	in the meantime	nevertheless
consequently	better yet	otherwise

Transition Words to Terminate:

in conclusion	to sum up	In summary
to conclude	as a result	for these reasons
as one can see	in short	I conclude that
finally
