

MEET THE TEACHER

● Mrs. Grant ●

Welcome!

Hello friends! I hope everyone is enjoying their summer. My name is Mrs. Grant and I am so excited to be your learning support teacher. This will be my fourth year teaching at Butler and I am so excited to see what the new school year brings! The first few weeks the students will likely remain with their homeroom teacher for community building activities. I will push into the classes to introduce myself and support as needed! I will also be available for breaks. I am looking forward to meeting you on the first day of school and learning about you too!

About me!

I love reading, going to the movies, trips to the beach, and spending time with friends and family. This year, my husband and I are expanding our little family, as we welcome our first baby in October!
