

Welcome Back

Dear Butler families,

Welcome families! Another great year at Butler is upon us, and I am eager to get started. My name is Nicole Fulcher and I will be providing learning support services to your child this school year. I value parental involvement, and I look forward to our collaboration. I have been a special education teacher for about fourteen years, and this will be my second year at Butler.

As your child's case manager, I will be setting up an annual IEP meeting in which we will discuss your child's progress and answer any questions or concerns you may have. You are always welcome to contact me throughout the year about your child's IEP goals.

The first week of school students will be involved in team building activities with their homerooms. I will be joining these activities to have an opportunity to meet and get to know your child. This is always a fun time at the start of the school year! During the first week, I will email/send home more information about my classroom as well as the date/time for Back to School Night.

Enjoy the rest of your summer, and I look forward to meeting everyone in the Fall!

Sincerely,

Nicole Fulcher
