

Multiplication Fact Sheet

You know your

0's - 1's - 5's - 10's - 11's

The only one you need to know is $8 \times 8 = 64$ (I'm not going to tell him anymore)

3	6	9
12	15	18
21	24	27
30	33	36
