

Meet the Teacher

Mrs. Mooney

Learning Support Teacher

Welcome!

This is going to be the best school year! I can't wait for us to get to know each other. We will be learning and growing together.

About Me

I have been teaching for 13 years with the last two being at Warwick Elementary. I have a lot of experience teaching in the younger grades, especially 3rd grade, and I am so happy to be back working with them. I believe that hard work can help you achieve your goals. I look forward to helping your children meet theirs.

I live with my husband and 2 kids. My hobbies include drawing, reading, spending time with my family, and anything outdoors.
