

Dear Parents,

If you received an email from me with a letter like this one, I am very happy to share with you that I am your child's learning support teacher for the 2020-2021 school year. I hope after the summer you are feeling ready to embark on this new school year. I am excited to work with your child for another school year, and I look forward to working through the new expectations that come with starting the school year virtual, so that I can make your child's online learning experience at Jamison Elementary School a successful and productive one.

Since we are starting the school year virtually, any lesson plans and activities that your child will need to complete synchronously and asynchronously will be accessed through Canvas. Your child can access canvas by going to going to Classlink. Please click [here](#) to access Classlink.

In the interim, you may email me with questions, or many questions you may have can be addressed by visiting [Special Education Return to School 2020-2021](#).

Kind regards,

A handwritten signature in black ink that reads "Lauren Malloy". The signature is written in a cursive, flowing style.
