

# Visualizing

“Mind Pictures” or “Movie in your Head”

## **Ask yourself:**

What I am seeing in my mind right now is....

Is my mental picture still good?

Why should I change it?

What did the character look like?

What does the setting look like?

# Word Work

Understanding words and vocabulary  
and figuring out unknown words.

## **Ask yourself:**

Does this word make  
sense in the sentence?  
I use to figure out the  
word?

I don't know that word,  
but it looks like \_\_\_\_\_.

# Monitoring

Asking, “Does this make sense?” and make it clear.

## **Ask yourself:**

Does what I’m reading make sense?

If not, what can I do to make it clear?

Is it confusing?

Reread!!!

# Summarizing

Sum it all up!

Summarize main ideas and important details.

## **Ask yourself:**

What has happened so far?

What is the most important information in the chapter?

What are the major events of the story?

The main idea and important details are.....

# Evaluating

Making judgments

## **Ask yourself:**

My favorite part was..... because

Do I believe what happened in the story?

How does this story rank with other stories I read?

I think this \_\_\_\_\_ because of

\_\_\_\_\_.
