

Math Grade 5

April 27, 2020

**Overview:** Volume Day 2

**Explanation:** Today you will analyze and compute volume using unit cubes, and solids. You will also apply your knowledge of volume to composite solids.

**Things to know:**

- Please visit <https://www.cbsd.org/Page/1511> to access tutorial videos related to accessing online Math in Focus resources.
- If you do not have the supplied worksheets for this day, it is fine to create your own based off the supplied worksheets.

**Tasks Resources**

1. **CALENDAR MATH:** Complete today's activity Student Resource Page 1: April Calendar Math

2. **LEARN:** Review the videos about Unit Cubes and the volume formula Link on student resource page

3. **TRY:** Complete the activity. Student Resource Page 2. Students may use the TRY video for additional support in completing the activity or to check work.

4. **LEARN:** Watch the video about the volume of composite solids. Link on student resource page

5. **TRY:** Complete the activity. Student Resource Page 3. Students may use the TRY video for additional support in completing the activity or to check work.

6. **INDEPENDENT PRACTICE:** Complete and turn it into your teacher Student Resource Page 4 and 5.

7. Complete **fact practice:** Xtra Math

**How is this assignment turned into the teacher?**
