

## **Math**

**Overview:** Area

**Explanation:** Today you will determine the area of various polygons.

**Things to know:**

- Please visit <https://www.cbsd.org/Page/1511> to access tutorial videos related to accessing online Math in Focus resources.
- If you do not have the supplied worksheets for this day, it is fine to create your own based off the supplied worksheets.

**Tasks:**

- CALENDAR MATH: Complete today's activity. Use the Student Resource Page 1: **April Calendar Math** located in Seesaw in your Math Class folder. Complete problems 1-6 on page 1.
- LEARN: Watch the video on Area of rectangles and squares. There is a Link on student resource page.
- TRY: Complete the activity on Student Resource Page 2 problems 7-11.
- Optional: Students may use the TRY video for additional support in completing the activity or to check work.
- LEARN: Watch the video about Areas of a Triangle. There is a Link on student resource page.
- TRY: Complete the Student Resource Page 3 problems 12-15. Students may use the TRY video for additional support in completing the activity or to check work.
- INDEPENDENT PRACTICE: Complete and turn it into your teacher: Student Resource Page 4: problems 16-21. Email and let me know if you have any questions.
- Complete fact practice: Go to Xtra Math online and practice for 10 -15 minutes.

**How is this assignment turned into the teacher?**

Complete all pages in Seesaw or on a separate sheet of paper. Send activity/ picture in Seesaw or email.
