Dear Eighth Grader,

Welcome to 8th Grade! We hope you are relaxing and enjoying your summer while recharging for new academic endeavors. We are excited about the upcoming school year. We know it will include many challenges and would like to share some information with you. In 8th grade, students are assigned to either the Infinity Team or Team Polaris, and both teams have great plans for a year full of learning!

Reminder: Don't forget to follow the directions to ready your school laptop for the new year.

See you on Tuesday, September 5th!
