

Week 12  
March 16<sup>th</sup>

Congrats on another great run this weekend! We took first in Design Analysis and improved your score in Equipment and Movement. We have a lot to do over the next four weeks - it's cleaning season! Again, another big thank you to the parents who helped us on and off the floor!

Students - you have "homework" uploaded in Canvas under Assignments. Take a look at the video, listen to the judges' tapes, and respond with your feedback before Tuesday's rehearsal!
