 - Dorney Park Music Adjudication: Friday, May 15, 2020.
- **Wind Ensemble:** The Wind Ensemble is an advanced level concert band, performing music on a higher level than the regular grade-level concert bands. They perform at the spring band concert, a PMEA concert band adjudication, and the Dorney Park music festival at the end of the year. Wind Ensemble rehearsals will be held Wednesdays after school from 2:45 – 4:00 and rehearsals start in January. Wind Ensemble is open to students grades 7-9 on all instruments. Students will be recommended for Wind Ensemble later this fall based on their Jazz Band audition, or their playing tests in band class.

- Dorney Park Music Adjudication: Friday, May 15, 2020
- **Honors Band:** The Central Bucks Middle School Honors band was established in 2003 and is made up of the best middle school musicians from the 5 Central Bucks middle schools. Each director selects students through an audition process and those musicians form the district-wide honors band. The group has two condensed days of rehearsals and a concert. Due to the condensed nature of the ensemble, attendance at each rehearsal is mandatory.
 - Honors Band Festival dates: February 5, 6 and 8 at Tamanend.
- **BCMEA:** All-county band auditions are open to all band students grades 7-9. The audition information including the audition piece was distributed at the end of last year and posted on my website. Information will be distributed again at the beginning of this year. Audition dates:
 - High School Auditions (9th Grade): Wednesday, Nov. 13, 2019
 - Middle School Auditions (7th and 8th Grade): Tuesday, January 7, 2020
 - Festival Dates: March 19-21, 2020 in Pennridge School District

Remind:

All band communication will be through Remind. Signing up is very easy, you do not need to download the app unless you want to, and communication is safe and secure. Parents and students should sign up for their grade level remind group on their phones:

- 7th Grade Band: text the message @9bc3a3 (don't forget to include the @ symbol) to the number 81010.
- 8th Grade Band: text the message @gdgek (don't forget to include the @ symbol) to the number 81010.
- 9th Grade Band: text the message @74hkh (don't forget to include the @ symbol) to the number 81010.

Instrument Storage:

There are instrument storage lockers in the band room available to all band students. There are also sports closets on each grade level hallway where students can store instruments during the day. Students who would like a band storage locker must do the following:

- All instruments stored in the band room must have a nametag with your name attached to the case. If an instrument is found without a nametag, that student will lose the privilege of storing their instrument in the band room.
- Students using band lockers must provide their own combination locks (no key locks) for their band locker and share the combination with Mrs. Heine.
- You may not store your instrument in any of the band practice/storage rooms UNLESS given permission from Mrs. Heine. Those rooms are for Tohickon instrument storage only.

**PLEASE NOTE: Students are responsible for their instruments at all times at Tohickon. Students are responsible for any lost instruments or damages to their instruments while at Tohickon. The band room will be locked after school each day but may occasionally be used by outside groups throughout the year in the afternoons/evenings. Students should never leave instruments out unsecured. Students assume liability for their instruments in the band room at all times.*

Instrument Repair:

- We use Zeswitz Music as our instrument rental service. However, Russo will continue to service families in Central Bucks. Zeswitz Music and Russo Music will visit schools weekly to drop off/pick up instruments. They will also pick up instruments for repair, drop off free loaner instruments, and bring student's instruments back in a week. Russo visits Tohickon Tuesdays, and Zeswitz will visit Tohickon Wednesdays. If your instrument requires repair, please call your music vendor first to let them know so they will be prepared with a loaner for you, then give the instrument to Mrs. Heine who will label it and leave it at the appropriate location in the band room to be picked up.
 - Zeswitz Phone: 610-406-4300
 - Russo Phone: 609-888-0620

Return this form to Mrs. Heine by Sept. 9 or 10 (whichever day you have band class)

I have read, understand and agree to everything contained in the handbook and I have signed up for REMIND.
