

Are you returning your rental instrument?

Wait! Here's a better plan...

Why keep your instrument over the summer?

- Don't lose the Rental Fees you paid:** Zeswitz Music allows you to apply paid Rental Fees towards purchase *while your rental is active*. Once you end your rental, you lose the opportunity to apply your fees.
- Don't lose the skills you built:** All the new skills you learned this year can rust or tarnish with even a few weeks away from your instrument. Even a few minutes of playing a week makes a huge difference.
- Don't lose the benefits you receive from playing:** Music education facilitates student academic achievement (*from the NAMM Foundation*):
 - Improves recall and retention of verbal information
 - Advances math achievement
 - Boosts reading and English language arts (ELA) skills
 - Increases average SAT scores
- Plus... check out the back of this page for summer playing opportunities in and around Central Bucks!**
