4. You will be brought to the home screen for the textbook, as shown below.

5. To access the online textbook click the "eBook" icon and the online textbook will open in a new window.

6. For additional resources, such as additional practice worksheets, videos and the online tutor, click the "menu" icon and then "resources"

7. This is the resources page. You should select the chapter and lesson you wish to review more using the drop down menu on the left.

8. Once you select the appropriate chapter and section the resources will appear both in the menu on the left and as icons on the main part of the screen. Below is an example from Chapter 1, Lesson 7

9. The Online Tutor will display problems and voice over the completion of the problem to explain each step as well as supporting information. These are available in English as well as Spanish. The purple icon in the corner indicates that the resource is an online tutor for that topic.

10. The worksheets resource provides additional worksheets for students to practice their skills. These are available as both Word Documents and PDF files.
