

# Science Fact Friday

Runs Jan. 31-March 27, 2020

On March 31, 2020, Kutz will have its Science Fair. To get everyone excited about the fair, we are running Science Fact Friday! Each Friday, a student will be chosen to read their fact on Kutz TV! If you are interested, here is what you need to do:

- 1) Write your science fact on the form below.
- 2) Put the form in the box in the bus hallway beginning Jan. 30.

We will contact the winning student on the Wednesday before they are scheduled to read their fact.

Questions? Please contact Tina Brunetti at [Tinabru2@verizon.net](mailto:Tinabru2@verizon.net)

Good luck!
