Kutz Science Fair Project Timeline

Name(s):_____

Week #	Begin Week of	Procedure	Notes	Done ✓
1–2	Dec 1	Decide on an idea/topic for your science project.	Begin gathering your materials for your project. Be sure to read the Science Fair Rules! **Complete the Registration Form on MyPaymentsPlus by Friday 12/15**	
3–5	Dec 20	Begin your experiment or project and record your observations.	<u>Display boards will be sent home the week of 12/18.</u>	
5–6	Jan 5	Finalize project and begin work on your display.	Create a list of what you still need to do to complete your project.	
7	Jan 17	My project is complete; my display board is complete.	Have you read and followed all of the Science Fair Rules?	
8	Jan 22	Prepare for presentation and any hands–on display for the fair.	A letter will go home with additional tips about how to make your project interesting to fair interviewers and visitors.	
9	Jan 29	Set up your project and display board between 3:30–6 p.m.	Display setup in Kutz Gym.	
9	Jan 30	Science Fair 6:00–8 p.m. in the Kutz Gym.	Families and friends are invited to attend!	
9	Jan 30	Remove displays from the gym after the fair.	Pick up your participation certificate as you leave with your display. Great job!
