Steeped in Tradition, Building on the Legacy, Inspiring the Future

May 2022

Dear Central Bucks West Families,

Just as a reminder, we will be administering the Spring Wave of the Keystone Exams on May 18th, 19th, and 23rd. Please use the [Keystone Exam Testing Information & Resources](#) link to identify your testing location. You must sign in to the CBSD website, so you will need your student username and password for access. If you cannot access it for some reason, we will have room assignments posted in the lobby.

Once you sign into the site, links for the testing locations will be available on the left-hand side of the site.

Students that are scheduled to test should report to school by 7:25 am. District transportation will run as scheduled. All students that are eligible to take the PASA exam will report to school as well. All students that are not testing will receive asynchronous online instruction from home during the days of testing. Please review the included test schedule information.

Spring 2022 Keystone Exam Administration:

The Biology and Literature Keystone Exams will be facilitated online, and the Algebra Exam will be paper-and-pencil. For the online exams, students will use their district issued 1:1 laptop to complete the exam(s).
