

Distance Learning: Suggestions for Social Language Skills

- **Games**

- Use games at home to work on the following:
 - Using whole body listening while playing
 - Ask and answer questions with siblings/parents
 - Stay focused and on-topic about the game
 -

- **Conversations**

- Take 5 minutes to talk with your child
- See topic ideas listed on website
- Prompt and encourage your child to say on-topic, make comments, ask and answer questions
- Use a ball to pass back and forth to help structure the conversation and help keep them engaged with the task

- **Tell Jokes or Riddles**

- See Riddles listed on website or search for your own!
