9th Graders and Named Roles

John Rody, 8th grader and 2-year Tamanend Player, is thrilled to take on the role of **Jack Kelly** in this year's production of *Newsies JR.*! He's excited to trade in his English accent as Mr. Wormwood in last year's production of *Matilda, Jr.* for a New York accent! In addition to theater, John performs in 8th grade chorus and band, Chieftain Chorus and Gold'n'Blues, and plays tennis. Outside of school, he enjoys playing video games, piano, reading about history, and hanging out with his friends. He would like to thank his family, friends, the directors, and cast and crew of this year's production! He would like to give a special thanks to his parents for their amazing support and words of encouragement!

Playing **Katherine Plumber**, 9th grader **Olivia Felegyhazi** is ready to take the stage for the last time as a Tamanend Player! Since 7th grade, Olivia has had the pleasure of being in *Mary Poppins* as Valentine and in *Matilda, Jr.* as Lavender. She can be seen singing and playing multiple instruments in all of Tamanend's competitive choir and band groups. With the stage being her second home, Olivia can also be seen with Fitzpatrick School of Irish Dance, where she has been dancing for over 10 years. Olivia would like to thank the directors for always challenging her and making her try to be the best version of herself. She would also like to thank her family for their support...and the many car rides!

Directors

Maria Vitacco (Lights & Sound Director) is thrilled, once again, to bring her passion for Broadway to the incredible cast and crew of *Newsies JR.* As an English teacher, she fosters a love for literature and storytelling, helping her students explore the power of words and creativity. Outside the classroom, she serves as the Girls' Tennis and Head Track Coach, fostering teamwork in both sports. Additionally, she is a proud co-advisor to Student Council, helping young leaders shine. Drawing inspiration from Broadway's dazzling productions, she finds herself moved by the powerful anthems of this show, where songs like *Seize the Day* fuel the courage to face challenges, *Carrying the Banner* reminds her of the importance of persistence and unity, and *Santa Fe* reflects the endless possibilities that come from believing in something greater. *To Hunter, Sarah, RJ, Robert, Reid, Colin, Zoe, Carly, Swara, Isabella, Andrew, Jude, and Amber* – THANK YOU for your time commitment, patience, and wit. You all truly embody the spirit of *Seize the Day* with your enthusiasm, teamwork, and dedication, and she couldn't ask for a better group! She would also like to send love and a huge thanks to her family and friends for their support and understanding, especially Christa in #106Vibes who keeps her feeling sane and grounded. Lastly, a heartfelt thank you to her fellow directors for being constant sources of support and laughter. One day, she hopes to have the musical talent of Ian, the powerful kick of Nicole, and the talent, awesomeness, and all-around greatness of Christy—channeling that *King of New York* confidence and spirit in everything they do.

Nicole Laird (Choreography and Director of Stage Crew) is excited to be back for her second Tamanend Players musical production! After a successful first season with the Players to put on *Matilda, Jr.*, she has enjoyed watching returning and new students pool their talents together for *Newsies JR.* There is nothing this ragtag group of ragamuffins cannot do! This musical is a fan favorite of students already, and the directors hope it touches the audience in the same way. Mrs. Laird would like to thank her husband Christian for his unwavering support on and off the stage, and his contributions to set-building. His belief in her has carried her through the coldest winter days, and his delicious dinners have sustained her after the longest rehearsal nights. A huge thanks to the Stage Crew, old and new, for coming out to be a part of the backstage magic and doing whatever is asked of them, even when the vision seems hazy at first. Many thanks to the parents who dedicated their time and energy to making this show possible, and to the Tamanend staff that supported us throughout this endeavor, including Mrs. McFarland, Mrs. Reitz, Mrs. Mancini, and Miss Roth. There are no words possible to express Mrs. Laird's gratitude to the other directors of this show: Mrs. Wilhelm, Ms. Vitacco, and Mr. Sanchez. Spending her afternoons and evenings (and Saturdays) with them brings her immense joy, and she loves being part of the Tamanend Players family.

FROM THE DIRECTOR...

Welcome to Tamanend Players' production of *Newsies JR!* We are thrilled to present this high-energy show, based on the real-life Newsboys' Strike of 1899. As I write this, I am overwhelmed by the depth of gratitude and the strong sense of community that fills me. This production simply couldn't happen without every single moving part seamlessly coming together often at the last moment. I am deeply honored and thankful to be part of such an incredible cast, crew, and community of families that form our Tamanend Players.

Newsies JR is a story about courage, resilience, and fighting for what's right—even when the odds are stacked against you. It's a tale that reminds us that when we stand together, we have the power to make real change. As you watch our young performers take the stage, we hope you'll be inspired by their passion, energy, and dedication. They have worked tirelessly to bring this story to life, and we are so proud of each and every one of them.

We also want to thank our production team, volunteers, and parents for their endless support and hard work. A show like this is truly a team effort, and we are beyond grateful for everyone who has contributed their time and talent. The show simply could not go on without you.

To our 9th graders: We will miss you greatly next year, but please know you are always welcome here at TMS and are forever expected to come back and visit. Thank you for sharing your talent, laughter, and energy with us over the past three years. You are all true kings and queens of New York, even if that's not exactly what I was yelling last week during rehearsal.

Lastly, thank you for supporting the performing arts at Tamanend Middle School!

Now sit back, relax, and **SEIZE THE DAY!**

Warm regards,

Christy Wilhelm
