

JOIN OUR CLASSROOM TWITTER COMMUNITY

September 2019

Dear Parents,

This year I will be using Twitter in order to keep you updated on the amazing things happening in our Fourth Grade Classroom! I will post pictures, videos and important reminders throughout the year on this platform. A permission slip will be sent home during the first week of school to give you the option of allowing your child to appear on the classroom twitter page. This will be an unique way for you to share in our classroom experiences and be able to view your child learning each and every day.....without you being physically present in the classroom!

I encourage you to sign up for a **free twitter account** and follow our classroom page. Wouldn't it be great to take a break at work, pull up twitter on your phone and see what your kids are up to in school?

How to sign up:

1. Download the free Twitter app on your device.
2. Go to twitter.com and click sign up.
3. Enter your name, plug in your email and create a password.
4. Skip plugging in your phone number.
5. Create a username. (this will be a username twitter users will see)
6. Continue to follow the registration steps.
7. Add a photo for your account if you'd like.
8. Go to the Twitter Search bar and type in our class
username: **@cblitoub**
9. Click **FOLLOW**.

That's all! Once you click to **FOLLOW** the class account, each time I tweet they will show up on your twitter newsfeed. You can access twitter via the computer as well as on the app on any Smartphone/Tablet.

While you are at it search: **@CBGrovelandEl** and click to follow our school account to see all the great things happening at our school.

If you are **not** interested in creating an account but would like to be able to view my tweets, save this weblink in your browser on any computer and visit often: <https://twitter.com/cblitoub>

Enjoy!
