

LET'S TALK ABOUT...

What is Seesaw? Seesaw is an **AMAZING** app that we will be using this year in our class as a way for your child to share what they are learning at school.

Seesaw provides a **SAFE** and **creative** way for your child to document their learning while practicing digital literacy skills in a moderated environment.

Each child will have their **OWN** journal to which they will add photos, videos, drawings, and notes to showcase their learning in **authentic** ways.

I love Seesaw because it opens the walls of our classroom and allows **communication** between not only you and I, but your child as well.

Follow these step by step directions to sign up and follow your child's learning!
