

Sentence

Sorters

May

By The Kindergarten
Connection

Thank you for your purchase!

This pack contains 20 sentence sorters for the month of May! These are perfect for beginning readers and writers as they work on reading and developing beginning sentence structure.

Each page contains a simple sentence using high frequency words from the Dolch pre-primer and primer lists, along with picture word help for the vocabulary or additional word in the sentence.

Students cut out the scrambled sentence and put it in order using their knowledge of capitals at the beginning and punctuation at the end. They then glue the sentence in order in the box. After reading and gluing the sentence, they write the sentence on the handwriting lines and color the picture.

This pack is fantastic for small group work, morning work, homework, classwork, and more! It provides a fun way to strengthen those beginning sentence skills!
