Watch the following video:

[Pigs Aplenty, Pigs Galore!](#)

After listening to the story, try one or ALL of these activities:

1. See if you have an empty egg carton in your house. Ask mom or dad to cut the egg carton into 12 pieces (each egg holder is one). Paint or color each piece pink, black or brown. Use the extra pieces to make ears. Put eyes and a face on it to turn it into a pig! (See picture below for reference).
  - a. Take a picture and send it to your teacher!
2. See if you have pink paint in your house. Ask mom or dad to paint your hand pink and stamp it onto a white paper. On your thumb, add some paint to make it into a circle for a head. Draw a face and eyes to make it a pig!
  - a. Take a picture and send it to your teacher!
3. Tell Mom or Dad at least two things that the pigs did in the story. Try your best! You can re-watch the video to help you if you need to. Ask Mom or Dad to write down the two things and send them to your teacher!
