

Miss Fay's Weekly Update

Week of 1/14-1/18

A Note from the Teacher

- This week we started working on the letter 'p' and the 'in' family! We will continue that letter of the week and word family next week. In social skills, we are working on playing a game with our friends, taking turns and accepting loss. If you have any questions or comments, please let me know. Have a great week! 😊
