

June 10, 2022

Dear Parents,

Welcome to Warwick Elementary School - home of the Warwick Bears! My name is Meredith Fay and I will be your child's teacher this year. I'm excited to have your child in my class! I would like to take this opportunity to tell you a little bit about myself and our program.

I went to Warwick for my elementary school experience. How lucky am I to be back where I was inspired to become a teacher? I began teaching in Central Bucks in 2014 here at Warwick Elementary as a long-term substitute in an autistic support classroom. After a wonderful year at Warwick, I was fortunate enough to receive long term sub autistic support positions at both Jamison and Bridge Valley for the 2015-2016 school year. After that, I came back to Warwick and this will be my seventh year here.

I hope you and your family had a wonderful summer! I spent the summer teaching in our ESY program and spending weekends in OCNJ.

This year I am accompanied by an amazing team of individuals who will be working with me in our classroom. As a team, we will also be working closely with your child's general education teacher, occupational, physical, and speech and language therapists to provide support and to meet your child's individual needs. We are all very excited about the upcoming school year.

The Warwick office phone number is 267-893-4050 and my email address is merfay@cbsd.org. Looking forward to a great year!

Sincerely,
Meredith Fay
