

Hi! I'm Mrs. Merson

I am so excited to work with you and your child this year! It is going to be a year full of fun, learning, laughter, and lots of adventures. I can't wait to see what the year has in store for us! I thought you might like to know a little bit about your new teacher.

I currently live in Chalfont with my husband and our two daughters (Scarlett & Amelia). I graduated with my bachelors from Millersville University, and I am currently back at Millersville completing my Masters in Education with a focus in STEM. In my free time, I love playing board games, reading, baking and spending time at the beach.

This is my 8th year teaching, but my 4th year at Pine Run. I absolutely love Pine Run and 6th grade is such a special year. It is my goal to instill a love for learning in my students. Please let me know if you have any questions or concerns. You can always email me at Smerson@cbsd.org. It is very important to keep communication open between us and I promise to always respond as promptly as possible. I look forward to the best year ever together!
