

August 2022

Dear Students and Families,

Hello there! My name is Mrs. Ritts, and I will be one of your teachers at Pine Run this year. I am so excited to meet you and learn all about you. First, let me tell you a bit about myself. I have a sweet daughter, who just turned one, named Olivia and I'm married to my husband, Mike. We love spending time together by taking walks, watching any Philadelphia sports game, and cooking or baking different foods for Olivia to try (so far, she loves everything).

I earned Master's Degree in Education from Holy Family University and I have a Bachelor's Degree in Psychology from Temple University. For the past seven years, I have worked as an Autistic Support Teacher at Jamison Elementary where I taught students in grades Kindergarten through fifth grade. This year I have the awesome opportunity to teach at Pine Run. I have heard such wonderful things about Pine Run and am excited to be here. I love being a teacher and working with students to reach their fullest potential (while having fun of course). Please feel free to reach out with any questions, I'm looking forward to a year full of learning and fun!

See you soon,

Mrs. Ritts (britts@cbsd.org)
