

July 2020

Dear Kindergarten Families,

Welcome to Jamison Elementary! My name is Brianna Ritts and I am so excited to meet you. Before we begin, I would like to take this time to tell you a little about myself and our Autistic Support Program.

I initially received my Bachelor's Degree in Psychology from Temple University. I then went on to receive a Dual Certification in Elementary and Special Education as well as a Master of Education from Holy Family University. I have taught students in grades 1st – 5th in our Autistic Support Program at Jamison. This is my 6th year at Jamison, and I love it here! I spent the summer working as an Extended School Year Teacher in Central Bucks. I also spent time with my family and friends, relaxing outside and grilling whenever we could.

I am so excited to get to know you and your child! We will have a wonderful year at Jamison full of learning and fun. If you notice on my website, I have some other information listed including a parent survey, dietary restrictions, and a classroom supply list as well.

This year may look a bit different but please know I will do everything I can to ensure your child has a great first year at Jamison. I am accompanied by an amazing team of individuals who will be supporting your child in the classroom throughout their time in school. As a team, we will be collaborating with your child's general education teacher, occupational therapist, physical therapist, and speech and language therapist to meet your child's individual needs.

The number for Jamison Elementary is (267) 893-3500 and my email address is britts@cbsd.org. I am so excited to meet you and your child and am looking forward to a fantastic year.

Sincerely,
Brianna Ritts

P.S. On the next page I have some pictures of myself and family

This is my dog Jake and I on my wedding day
September of 2019!

Here are my husband and I in front of our house!

Here is my family including my dad,
mom, husband, sister, and brother-
in-law on my wedding day!
