

August 2018

Dear Parents and Students,

Welcome back to Jamison Elementary! My name is Brianna Walls and I have the pleasure of being your child's teacher this year! Before the school year begins, I would like to take this time to tell you a little about myself and our Autistic Support Program.

I initially received my Bachelor's Degree in Psychology from Temple University. I then went on to receive a Dual Certification in Elementary and Special Education as well as a Master of Education from Holy Family University. This previous school year, I taught students in grades 2<sup>nd</sup> – 4<sup>th</sup> in the Autistic Support Program at Jamison.

I hope you and your family had a wonderful and relaxing summer! I have spent this summer working as an Autistic Support Teacher in Central Bucks' ESY Program. Outside of teaching, I spent most of my time with family and friends in Northeast Philadelphia and getting ready for my wedding (in September of 2019!).

This year I am accompanied by an amazing team of individuals who will be supporting your child in the classroom throughout their time in school. As a team, we will be collaborating with your child's general education, occupational, physical, and speech and language therapists to meet your child's individual needs.

The number for Jamison Elementary is (267) 893-3500 and my email address is [bwalls@cbsd.org](mailto:bwalls@cbsd.org). We are all very excited and looking forward to a fantastic year!
