

1. Download the free Flipgrid app OR go to Flipgrid.com on a device that you can take video on.

2. Click on "Student"

Welcome to Flipgrid!

I am a...

Student

Educator

3. If this is your first time using the Flipgrid app, you will need to allow camera and microphone.

Say Cheese!

Flipgrid requires access to your microphone and camera.

Allow microphone

Allow camera

"Flipgrid" Would Like to Access the Microphone

Flipgrid is all about sharing your voice. In order to record video responses and replies to topics, we need access to your microphone.

Don't Allow OK

4. Join the grid by typing the Flip Code or scanning the QR code that was shared with you.

Join a Grid 🐾

Enter a Flip Code or scan a QR code. Ask your educator for a code if needed.

Enter Flip Code

Scan Flipgrid QR

By continuing you agree to Flipgrid's Terms of Use and Privacy Policy.

Microsoft

5. Continue by following the directions on the right side of the page, starting with step 4 "enter the password."

2. Click on:

Enter a Flip Code

3. Type in the Flip Code that was shared with you.

Join a Grid

If you do not know your Flip Code, ask your educator.

Enter a Flip Code

4. Enter the password if applicable.

5. Now you can view the directions and other's videos.
