Microsoft Apps	
One Drive OneDrive	**OneDrive** is a personal library intended for storing and organizing school documents. Students can access this drive from home and school. Each user will have 25 GB of "cloud" storage space. Students can easily share a file from the OneDrive with classmates or teachers. Items placed on the OneDrive should relate to classwork. The OneDrive should not contain personal images, games or files that do not directly relate to school.
Microsoft Apps Word Outlook PowerPoint Excel	**Online Document Sharing:** View, edit, and share Microsoft Word, Excel, and PowerPoint. If students do not have Office at home, the Web App allows them to be a part of the process whether they are on a Mac, PC or mobile device. Students can work in groups, with partners and with teachers to create documents. **Please Note:** The Outlook email component will only be utilized by students in Grades 4-6 in Central Bucks elementary schools.
