

Welcome to 7th Grade

Team Spark

Your team teachers have been busy planning for the school year. We are eager to meet you and look forward to an exciting year together!

The 7th grade class's theme this year is embracing the many catalyst moments in your school year through **problem-solving** and **advocacy**. As a member of the 7th grade class, you will have many learning opportunities to problem-solve, advocate for yourself, and celebrate your successes. In this first year of middle school, you will grow as a student and young adult, meeting new friends and creating many fun memories.

What is Team?

Unami's 7th Grade is organized into two teaching teams.

Team Spark is your "home base," more than just a location of teachers, lockers, and classrooms.

Your teachers meet to plan team activities, coordinate lessons and due dates, discuss student progress, and how to **spark** your learning. In short, your teaching team looks out for you!
