

Dear Fourth Grade Families,

Welcome to fourth grade, it is going to be a *fantastic* year! I am thrilled to be a member of the fourth-grade team at Butler Elementary and to be part of your child's education! This will be my sixth-year teaching elementary school, and my fifth year as a Butler Bear. Previously, I taught at Groveland Elementary. I feel so lucky to have your child in my class this year. I look forward to forming positive fourth grade memories with each of the students!

Fourth grade is a very special year, and you will have many things to look forward to this coming year. We will focus on developing a wide range of reading skills and strategies through the use of quality literature. You will have many writing opportunities and will participate in a variety of hands-on math activities. Additionally, you will be learning about the scientific method, watery earth, matter, electrical circuits, and the regions of our country. You will also get to go on some really fun field trips too!

I am looking forward to a wonderful summer with my family and friends. In the summer of 2020, I got my very own puppy named Charlie! He is a Boston Terrier and a King Charles Cavalier mix. I love spending time with him and going on walks. This summer, I will be visiting Ocean City! I can't wait to hear all about what you did over the summer!

In order to create a strong classroom community, I believe it is important for us to work together. I will do all that I can to help your child reach his or her learning goals and full potential. Please *do not hesitate to contact me* if there is anything you would like to share about your child, or if you have any questions or concerns. You can reach me by calling the office at 267-893-4250 or emailing me at [adavenport@cbsd.org](mailto:adavenport@cbsd.org).

I hope you are as excited for the upcoming school year as I am. I look forward to getting to know each and every student and family!

Sincerely,  
Miss Alexis Davenport
