

Finding Your Virtual Classroom on the First Day of School!

VIRTUAL WORKFLOW FOR STUDENTS

Central Bucks School District

Virtual Workflow for Students

All students are expected to access their daily Teams calls via their district-provided device using the workflow below.

GRADES K-2 ON IPADS

- Turn On iPad
- Go to the Canvas App
- Find Homeroom Course
- Click the Teams Call Link

ClassLink (myCBSD)

This is a single sign-on tool that may be used to access a variety of district programs via a CB username and password. It will reduce the number of logins students and staff need to remember.

Be sure to login using the ADFS Sign-In Button, NOT the Windows button.

iPad Sign-In | Sign in with ADFS | Laptop Sign-In | Sign in

***Note for K-2:** ClassLink (myCBSD) is not the starting point for iPads because it forces some of these apps to open in the web-version. We recommend that students using iPads stay within the app-version of Canvas, Teams, and Seesaw.

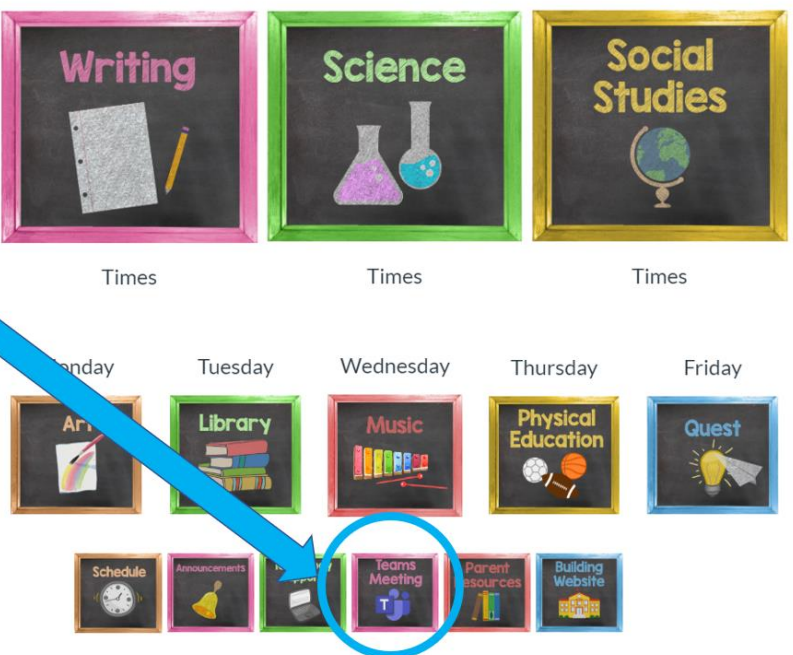

GRADES 3-12 ON LAPTOPS

- Sign Into Laptop
- Sign Into ClassLink via Edge
- Click Canvas Tile
- Find Course Tile
- Click the Teams Call Link

Click on "Homeroom" when you get to Canvas and look for the "Teams Meeting" button shown below.

Welcome back, Warwick Bears!
Use this Teams Meeting button to find your teacher and classmates in your virtual classroom!

The image shows a grid of course tiles in a virtual classroom. The top row includes 'Writing', 'Science', and 'Social Studies', each with a 'Times' label below it. The middle row includes 'Arts', 'Library', 'Music', 'Physical Education', and 'Quest'. The bottom row includes 'Schedule', 'Announcements', 'Teams Meeting' (circled in blue), 'Parent Resources', and 'Building Website'. A blue arrow points from the mascot's speech bubble to the 'Teams Meeting' tile.
