

PINE RUN SUMMER READING 2021

YOUR READING

During an unconventional school year teachers and students have worked very hard. Your children have grown as readers and writers. To help your child continue this growth we are encouraging students to **LEVEL UP** their reading. Research shows that children who read at home over the summer do far better in school than those who do not. To promote summer reading, Pine Run Elementary is sponsoring the Summer Reading Initiative, **LEVEL UP YOUR READING**, for all current students in grades K-5.

HOW TO PARTICIPATE

Choose one of the below local summer reading programs to participate in:

- Summer Quest at the Bucks County Library's Doylestown location

[Click here for information about the summer quest and how to register for Beanstack.](#)

- Barnes and Noble Summer Reading Challenge

[Click here to print a copy of the 2021 summer reading journal.](#)

Provide proof of participation (i.e. a copy of your reading log, picture with a summer quest badge, etc.) when you return to school in August.

In addition to rewards given to participants by the Doylestown library or Barnes and Noble, all students who **LEVEL UP** their reading by joining in one of the challenges will receive a fun participation prize and be featured on the video announcements in September.

Thank you in advance for helping our Pine Run students continue *read and grow* this summer!

Sincerely,

Adrienne Darreff Reilly

Reading Specialist
