

# The Whats-it Game - Household Tool Edition

The pictures at left depict very old versions of common household tools and utensils with which you're probably familiar. Draw a line from the name of the tool or implement at right to the early American version of the same tool at left. See if you can make the correct matches! Compete with your friends, parents and grandparents to see how they do!! The correct answers can be found on the separate answer key PDF for this and other editions of *The Whats-it Game*.
