

CB SAVE THE MUSIC 2020

#listen:
THE DECADE IN REVIEW

Come join us for a fantastic weekend of concerts as we celebrate the music and pop culture of the last 10 years! CB music staff, students, alumni & friends will perform tons of pop, rock, country and hip-hop favorites along with music from Broadway, TV and film! There will also be musical tributes throughout the weekend to many great artists who died between 2010 and 2019.

We hope to raise at least \$40,000 so that we can single-handedly provide enough funds to revive another instrumental music program.

This year we're excited that it will be in nearby Newark, New Jersey!
