

**Goal: Rename your courses so it is easy to identify each course.
(You will need to rename the course in two places).**

Sample Dashboard:

Step 1: Click **Settings**.

- Conferences
- Collaborations
- Chat
- Attendance
- Office 365
- Class Notebook
- Newsela
- Settings**

Step 2: Change the **Name** of the course. (DO NOT change the Course Code). Click **Update Course Details**. ****Disclaimer:** Whatever you name your Parent Course will be the Course name that all of your sections will see. You may want to name your parent course a generic course name. You will be able to differentiate this course in the section name in step 3.
