Student iTeam

Central Bucks Technology Support Squad

*This application must be completed in its entirety and handed in by **Wednesday, June 12** to be considered.*

In the 2019-2020 school year, all middle school students will be given a laptop. To help with the initiative and provide technical support, we are forming a student technology team at each middle school.

This application is for current 6th grade students who are interested in committing some of their resource time throughout the school year to help classmates with technical issues that may arise. It is a year-long commitment that will require dedication, organization, and customer service.

Please read all information and complete the attached application form. If you have any questions before submitting your application, 6th graders should see their QUEST teacher.

Desired Skills:

- ✓ Problem-Solver
- ✓ Collaborative
- ✓ Creative
- ✓ Trustworthy
- ✓ Approachable
- ✓ Kind

If selected to be part of the Student iTeam, you will receive an email from the Integrated Tech teacher at your middle school during the first week of school with more information and next steps.

Thank you for your interest in being part of our student iTeam!
We look forward to the possibility of working with you.
