

MEET THE TEACHER

Mrs. Titus

Welcome!

My name is Lauren Titus, and I am a special education teacher at Kutz! I am excited and honored to have you join my classroom for the 2021-2022 school year! This will be my 7th year teaching special education, and my 3rd year teaching at Kutz. Prior to teaching at GB, I was a special education teacher in Chicago and Pittsburgh. I attended the University of Pittsburgh where I earned my Bachelor's in Applied Developmental Psychology and my Master's in Instruction and Learning. My mission this year is to provide your child with a safe environment where they feel comfortable to take risks with their learning and advocate for themselves. I value home and school working together as a team to help each student thrive! This year will be filled with many new and exciting experiences, that I can't wait to share with all my students and families! Please also refer to your child's general education teacher's welcome letter and supply list. Additional information regarding IEPs, curriculum, behavior systems, and homework will be provided during Back-to-School Night.
