

August 2020

Dear Families,

Hi! My name is Danielle Kazokas and I am very excited to be joining Bridge Valley Elementary. I am thrilled to be your child's teacher, and I am looking forward to a fun year full of learning! I cannot wait to learn all about your child, but first let me tell you a little about myself.

I graduated in 2017 with a Bachelor's degree in Early Childhood and Special Education from East Stroudsburg University. Currently, I'm taking classes at Slippery Rock University to earn my Master's degree in Special Education with a concentration in Applied Behavior Analysis. Before teaching at Central Bucks, I worked at the Comprehensive Learning Center, where I taught different ages of students with autism using scientifically validated procedures of Applied Behavior Analysis (ABA). During the 2019-2020 school year, I had the pleasure of working as a long-term autistic support substitute at Warwick Elementary School. Outside of school, I enjoy playing volleyball, traveling and spending time with my friends and family. I also have a very energetic two-year-old yellow lab whose name is Autumn.

Parent- teacher communication is something that is very important to me. Please feel free to contact me at dkazokas@cbsd.org with any questions or concerns you may have throughout the school year. I look forward to getting to know you and your child!

Sincerely,

Miss Danielle Kazokas
