

Hello Fourth Graders!

My name is Ms. Strzelec (pronounced like Strez-lick), and I'm so happy to be your teacher this year! I've taught fourth grade at Jamison before, and last year I taught third grade at Jamison. I hope that you all are enjoying your summer so far. I can't wait to hear about all the fun activities you did!

I also hope that you're excited for this upcoming school year! We are going to have an amazing and fun-filled year together 😊. You're going to learn about many different topics, and I'm looking forward to guiding you through your learning. Before the first day of school, here are some important things to keep in mind:

- The first few days of school will be spent getting to know each other! Please think of **an object or a picture to bring that represents something about you** so we can share and celebrate the great things about each student in our class! This should be brought in on the first day of school.
- Please bring a **water bottle** and a healthy **snack** on the first day of school (and every day!).
- Don't forget your **backpack** for any papers and materials that need to be sent home!
- Please refer to the supply list for the school supplies that you will need this year. The supply list for my class can be found [below this letter](#) and on my Jamison website. It includes any needed items from the shared fourth grade supply list. Please make sure your name is on everything!

Parents, feel free to send me an email ([kstrzelec@cbsd.org](mailto:kstrzelec@cbsd.org)) if you have any questions or concerns!

Fourth Graders, I can't wait to meet all of you soon, whether that be during Meet and Greet on **Thursday, August 31 at 2 PM** or on the first day of school on **Tuesday, September 5!** I'm looking forward to learning together and getting to know you throughout this year!

Enjoy the rest of your summer!  
Ms. Strzelec
