1. Signage will be in place as a reminder to practice social distancing.

2. Decals will be positioned on walls and floor surfaces to assist individuals in social distancing.

3. Center lines and/or directional arrows will help to establish hallway traffic patterns.

4. Teachers will establish procedures that further reinforce social distancing measures during class.

5. Time will be spent at the start of the school year explaining, demonstrating, and reinforcing classroom and building procedures for students at all grade levels.
